- The contract was the subject of a tender (whether public or not) but the terms and conditions have been substantially negotiated with the contractor
- The obligations of one or more parties to maintain or operate infrastructure or assets could continue for 10 years or more, and the contract involves a privately financed project (as defined by Treasury) or the exchange of significant assets.

Class 3 Contracts – If a class 2 contract has a value, or likely value of more than \$5 million, it becomes a class 3 contract. Council will also publish a copy of class 3 contracts on the website (excluding information considered to be commercial-in-confidence).
