YOUTH MURAL PROJECT

Thank you to everyone who got involved with our design workshops back in July or sent in their ideas, our Youth Mural Project is moving along nicely. The murals will be completed next month! With the artist visiting from the 26 - 30 September, we can't wait to see these spaces reimaged.

The project is funded by the NSW Government Children and Young People Wellbeing Recovery Initiative (Regional NSW) and will see the collaboration, design and completion of 3 youth murals throughout the shire, one each in Hillston, Goolgowi and Rankins Springs.

HEADSPACE GRIFFITH

The final stage of this project, the completion of the murals, will also include the presence of Headspace.

Headspace provides a safe, confidential environment for young people aged 12-25 and their families to access services such as education, training and employment support, general health, wellbeing and mental health support.

For more information contact Headspace Griffith on 02 6962 3277.
