Rural Services			
Note: potable water schemes - without strainer/ non-potable scheme - with strainer.			
(Developer charge to be paid if construction of service line from the watermain is required)	9	N	At cost
<b><u>RURAL CONNECTION TO TOWN/VILLAGE WATER SUPPLY</u></b>			
Rural properties requiring town water supply are to apply to Council on the form "Rural Connection to Town Water Supply".			
Permission will not be granted if town water supply does not have excess capacity.			
If the application is granted, the main will be tapped & a meter will be installed at the nearest point convenient to the Council water main.			
Property owner will be responsible for laying and maintaining same, from meter to property.			
<b><u>WATER METER REPAIRS</u></b>			
Repair of damage (other than normal wear and tear) are detailed in Private Works, General.	9	N	At cost
<b><u>Moving Existing Water Connection</u></b>			
Move within the property boundary	9	N	By quotation
<b><u>WATER METER TESTS</u></b>			
Charge must be paid prior to testing. Fully refundable if meter found to be incorrect (as defined in Local Government Water Services legislation)
