

Water Urban Boundaries Policy

Application	All Staff
Responsible Officer	Manager Water & Sewer
File	CM:POL:CWP
Authorised by	Council
Effective Date	19.12.2023
Distribution	Internet / Intranet

Purpose

Council has adopted urban area water supply boundaries to enable the effective management of demand and supply and to establish rating boundaries. Council will supply potable water to properties within the established boundaries. Connection of properties within the declared boundaries is carried out and charged in accordance with the prevailing charge per Council's adopted schedule of fees and charges.

All requests for connection beyond the urban water boundaries are subject to determination and resolution by Council. Extensions of mains metering and other costs associated with provision of town water beyond the boundaries will be at the cost of the benefitted property owner and prevailing service charges applied.
