### Length of Service

Following potential ambiguity associated with the determination of length of service, Council, at its meeting held on 23 August 2011 (Minute No 1121) resolved that:

“The existing Staff Gratuity Policy associated with the payment of untaken sick leave be re-worded to remove the ambiguity associated as to whether “Group A & B Employees” employed by the Council on a permanent basis prior to 16 September 2003, entitlement was “frozen” in terms of the number of hours accumulated as at 30 June 2007.”

As a result of the above, payment of an individual’s entitlement will be based upon their frozen sick leave hours as at 30 June 2007, their current pay rate at the time of resignation (or agreed payment date) multiplied by the individuals frozen % payable based upon length of service as at June 2007.

### General Application of Policy

1. For staff considered eligible for payment under Groups A & B above, no accrual of untaken sick leave be made for the purpose of any payment under this policy from 1 July 2007.
2. For staff considered eligible for payment under Groups A & B above, the period of service relates only to service with the Carrathool Shire Council and does not include leave accumulated and transferred from another Council.
3. The policy will NOT apply to employees resigning to take up a position with another Council. In such cases the Council may consider the payment of a gratuity following Award provisions for transfer of sick leave for any remaining non-transferrable sick leave where the employees length of service exceeds 10 years.
4. For staff considered eligible for payment under Groups A & B above, sick leave taken (after 1 July 2007) will first be deducted from the most recent entitlement accruing after 1 July 2007. Sick leave will only be deducted from pre-2007 entitlements if all other sick leave entitlements have been exhausted.
5. Entitlements under the provisions of the policy will be calculated on the balance of accrued sick leave in hours as at 30 June 2007, calculated by the employee’s hourly rate of pay at the time of termination, subject to no accrual as at 30 June 2007 being subsequently taken.
6. Unsatisfactory service for the purpose of assessing eligibility to any entitlement under the staff gratuity policy, is defined as three documented warnings of proven unsatisfactory conduct or performance during the employee's service on the employee's personnel file at the time of termination.
7. Interest accruing on the Internally Restricted Employee Leave Entitlement Reserve be reinvested into such Reserve. This action assists in providing adequate provision for future payments and as such, employees under Groups A & B are not entitled to an interest payment component.
8. The General Manager is authorised to approve payments under this policy to the value of \$25,000. Any payments are to be reported to the next meeting of Council for endorsement (Minute 1316 / 19.04.2016).
