## INAUGURAL LAKE WOORABINDA FESTIVAL 2023

The inaugural Lake Woorabinda Festival will be held on 11 March 2023. The day will include markets of locally made and grown goods, food stalls, jumping castles and floating lantern workshops. Watch the lanterns being lit and floated onto the lake at dusk and relax in the beautiful grounds of our Lake.

The aim of the festival is to celebrate our community, showcase the diversity of our area as well as encourage new visitors to enjoy everything that this region has to offer. Markets will run from 11am, lantern workshops will be held throughout the afternoon, these will be lit and floated on the Lake at dusk. Relax through the afternoon with live music from Melbourne band The Baker Boys and watch the fireworks over the lake.

This event is being made possible through funding received from the NSW Government's Reconnecting Regional NSW Community Events Program and Regional Arts Australia.

Carrathool Shire's Mayor Cr Darryl Jardine thanked the NSW Government and Regional Arts Australia for their support of this event as without funding, days such as this would be a financial burden on our small community. Cr Jardine went on to say "I would like to encourage the community to get involved with the festival and enjoy a great family out. After the uncertainty of the past few years we have a lot to celebrate and I would love to see you all there."
