HILLSTON MEDICAL CENTRE – UNDER NEW MANAGEMENT

Council welcomes Dr Albert NG who has taken over the management of the medical practice at Hillston from 9 January 2023.

Dr Ng is an experienced practitioner with over 14 years post graduate medical experience across a broad spectrum of issues experienced by a country general practitioner. Dr Ng has had exposure to clinical work at Griffith hospital as well as working in medical practices at Echuca. The doctor is familiar with referral pathways and service availability in Hillston and within the greater Murrumbidgee Health District.

Dr Ng has had experience in Emergency Medicine, Orthopaedic Surgery, Plastics Surgery, as well as Ear Nose Throat (ENT) and Ophthalmology.

Medical services will be provided through the medical centre and Dr Ng will also be the VMO to the Hospital.

Dr Ng said “he is excited to be the local doctor in Hillston and will be looking to introduce additional services including daily pathology services through the clinic.”

Mayor Darryl Jardine said that Dr Ng is an experienced professional and outgoing type of person and encourages people to avail themselves of his skill and welcome him to the community.
