

EP&A Reg 2021 requirement:

* CI 206(2)(d) states that the annual financial statement must show for the financial year:

- (i) the monetary amounts received by the planning authority under the relevant planning agreements, and
- (ii) the value of works contributed under the relevant planning agreements, including assets provided to, or held by, the planning authority in relation to the works, and
- (iii) the value of land contributed under the relevant planning agreements.
